

WHACKY WHEELS

A small traffic intersection will be set up using grey carpets to create the road. Mini traffic signs (stop streets, yield sign etc) will be placed inside the area. A traffic island will be created using artificial plants. Three cars will be provided. Non-motorised: (1- 3 yrs) as well as two giant non motorised scooter (3 - 7 years)

The floor of this cute little car is open and is propelled by the feet of the child sitting inside - think Flintstones.

BRILLIANT BLOCKS

A cute and colourful play area will be constructed using these versatile blocks & wedges that will teach little ones how to balance, play and HAVE FUN. Using the blocks a fun ball pit area will be set up. Colourful carpets will be laid inside the area.

BOUNCING BABES

The cutest exercise toys ever! Around the Brilliant Blocks area, charcoal carpeting will be laid to create a track. Two jumping balls and three exercise animals will be placed in this area for the kids to race around the jumping track.

These exercise animals are specifically designed to strengthen lower leg and back muscles while providing toddlers with endless fun. The bouncing animals are ideal for children under the age of five.

CREATIVE WORKSHOP

The creative workshops will vary from day to day and will be divided into three categories:

- Sand Art
- Cooking Workshops
- Tenant Workshops (we will gladly accommodate and assist with any tenant driven workshops).

Every day kids will have the opportunity to enjoy all of the above workshops.

SANDART

Make beautiful pictures from colourful sand. These works of art will brighten up any wall, whether it is for their own bedrooms, or a gift for a parent or grandparent. Please note that the workshops will cater for a maximum of 30 children per day. This activity is a full day activity, which means the children can make their beautiful picture at any given time during the holiday program hours. A workshop presenter will give the necessary help and encouragement where needed.

YUMMY TREATS

Decorate a gingerbread biscuit with sweet treats -. This activity is a full day activity, which means the children can do the cooking workshop at any given time during the holiday program hours. A workshop presenter will give the necessary help and encouragement where needed.

COSMIC COMIC CORNER OR THE BOOK PLACE CORNER

A cosy reading area will be set up with colourful beanbags. In this area, the children can come, relax and read.

Please note: Scarab Events & Promotions will provide the colourful beanbags. Tenants are encouraged to provide us with great story books or even comics which can be used in the area.

I look forward to our up coming events and wish you happy trading! Please notify us of your participation by the latest tomorrow morning so hat we can collect your logos for printing!

Please assist with as many ideas as you have as we prepare for the next 12 months of marketing at the centre!

Happy trading
